

THE CURRICULUM DRIVERS

Our curriculum at Benedict is based on 6 innovative drivers. Every class will have the opportunity to develop these skills over the year.

| | |
|--|---|
| <p>As imaginative and creative thinkers we will....</p> <p>Develop original ideas</p> <p>Add detail and create interest</p> <p>Invent and change</p> | <p>As explorers we will....</p> <p>Conduct research to ask our own questions</p> <p>Consider different possibilities</p> <p>Experiment and try things out!</p> |
| <p>As positive risk takers we will....</p> <p>Persevere with new challenges</p> <p>Explore the unknown!</p> <p>Have a go!</p> | <p>As critical and analytical thinkers we will...</p> <p>Develop our own way to find solutions</p> <p>Challenge</p> <p>Use language to communicate our opinion</p> |
| <p>As independent learners we will....</p> <p>Use classroom tools to aid our own learning</p> <p>Reflect on our own work and suggest improvements</p> | <p>As interdependent learners we will....</p> <p>Work as a team to reach our goals</p> <p>Use our own skills to support others</p> |
