

Benedict Primary School PE and Sports Premium Funding 2015/16.

What is the sports premium?

The Government has provided £150 million worth of funding for the next two academic years for physical education and sport. This funding should be used to improve the quality and breadth of PE and sports provision. Each school will receive £8,000 plus an extra £5 per pupil each year. This means that Benedict will receive around £9405 to be spent on developing our PE and sports this year.

Purpose of funding.

Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this.

Possible uses for the funding might include:

- ✓ Hiring specialist PE teachers or qualified sports coaches to work with primary teachers when teaching PE.
- ✓ Supporting and engaging the least active children through new or additional Change4Life clubs.
- ✓ Paying for professional development opportunities for teachers in PE and sport.
- ✓ Providing cover to release primary teachers for professional development in PE and sport.
- ✓ Running sport competitions, or increasing pupils' participation in the School Games.
- ✓ Buying quality assured professional development modules or materials for PE and sport.

How will Benedict spend the funding?

We have spent the additional funding on improving our provision for PE and sport both during the school day, as part of the curriculum and for co-curricular clubs that ensure all children are able to leave primary school physically fit and healthy. Along with the knowledge and skills to motivate them/equip them for a healthy lifestyle and lifelong enjoyment of physical activity and sport.

1. In order to enhance and sustain PE and Sports provision in our school we have:

- ✓ Subscribe to an existing local sports network (MSSP-Merton Schools Sports Partnership) as active members which enables participation in local sports competitions and networks.
- ✓ Procured quality training and development programmes for our PE Subject Leader and for our staff through the local sports network.
- ✓ A peripatetic dance teacher provides support for our youngest children and models dance to practitioners in EYFS.
- ✓ Provided quality sports coaching and dance teaching for all children from Reception through to Year 6 once a week (PPA).
- ✓ Provided qualified coaches and teachers to work alongside our class teachers to plan high quality PE lessons.
- ✓ Purchased high quality sports equipment to develop PE and Sports across the school.
- ✓ Subsidised payments for qualified swimming teachers and swimming lessons for KS2 children.
- ✓ Provided a wide range of PE and Sports clubs for children in KS1 and KS2 across the year that are subsidised for our families. Particularly those who are in receipt of pupil premium funding.
- ✓ Funding staff to run and facilitate competitions and co-curricular clubs.
- ✓ Participating in the disability competition network in our local area providing sports opportunities for our most vulnerable children.

2. Provide opportunities for children to compete.

It is extremely important for children of all abilities to be able to participate. Funding will ensure staff that can be released to support the children, enabling a calendar of competitions on a local basis in a wide range of sports. This provides children with the opportunity to represent their school, be part of a team, to learn the importance of fair play and have a chance to develop healthy attitudes to keeping healthy and providing a wide range of experiences along with lifelong memories.

How will the impact be measured?

- ✓ Increased participation in school clubs.
- ✓ Increased participation in competitions.

- ✓ Consistently high quality teaching in all PE lessons.

The impact of the new funding will be assessed in a range of ways; lesson observation, pupil conferencing, learning walks and planning scrutiny.

Funding Breakdown:

Funding Allocated	Reason
£1000	Membership of Merton Schools Sports Partnership -PE and Sport Advisory Service - Access to all local sports competitions -Reduced rate for specialist PE and Sports Coach lessons -Links to specialist projects including Surrey County Cricket; All England Lawn Tennis Club; Kwik Cricket UK
£7300	2 play leaders modelling games and sport provision for all mid-day staff and developing games skills to all children through coaching.
£716	Subject leader release to develop the curriculum and provision for all pupils
£120	CPD for subject leader
£150	Funding for safety and updating PE and Sports Equipment to facilitate 2 hours of PE teaching per week. Equipment will be used effectively to enhance learning.
£390	School qualified teacher for Swimming ASA Level 2
TOTAL = £9676	

Improvements/Impact to Teaching and Learning:

- ✓ All Pupils now participate in at least 2 hours PE and Sport each week. One lesson is taught by a PE/Sports Specialist Teacher or Coach.
- ✓ All Pupils in KS1 and KS2 have access to co-curricular clubs across the year.
- ✓ The school has an experienced subject leader for Physical Education who is liaising with the sports partnership over improvements to the curriculum and co-curricular clubs and competitions.
- ✓ The school actively participates in local sports competitions including those for children with disabilities.

- ✓ Specialist teaching takes place every week with the PE/Sports taught on a rolling programme so that all areas of the curriculum are taught across the year and across each key stage.
- ✓ Children are actively involved in school and cross school competitions with varied opportunities to participate.
- ✓ Children now participate in local leagues and friendly matches organised by the PE Co-Ordinators in the local authority, Merton.
- ✓ All children in one-year group at any given time are participating in Swimming lessons in partnership with the Merton MSSP Swimming Strategy.
- ✓ Teaching of PE has improved with good support of specialist teachers and coaches. There is a focused training programme in place for classroom teachers.
- ✓ Leadership and Management of PE have improved as the school has a subject leader in place.
- ✓ Children enjoy taking part in PE both during the school day and as co-curricular clubs.

Total number of children participating in local sports competitions 2015/16 : 263				
% of boys	% of girls	% of SEND	% of EAL	% Pupil Premium
54%	46%	22%	27%	34%
School data : 51%	49%	26%	53%	43%

The school actively endeavours to include all children equally in borough/school competition to reflect the population in the school community.
