

Curriculum Vision 2018

Our Curriculum Vision is to inspire a lifelong love of learning for the whole Benedict Community through:

- Providing an engaging and creative curriculum which promotes problem-solving, perseverance and resilience.
- Providing a project based approach to learning so that learning experiences are relevant, meaningful and fun!
- A curriculum that is diverse and inclusive encouraging independence, interdependence, positive self-esteem and confidence.
- A meaningful, relevant and challenging curriculum which reflects our school family and local community
- A curriculum supported by a key focus on personal, social and emotional development that ensures learning foundations for growth as confident, successful citizens
- Celebration of achievements and success for all.
